

Grand Junction, Colorado

Full-Time Opportunity for Enthusiastic Optometrist at Horizon Vision Center

We are searching for an enthusiastic full-time associate to join our team of dedicated optometrists at Horizon Vision Center in Grand Junction, Colorado. We are a full-scope private optometry group serving eastern Utah and western Colorado. We offer a great work environment with three doctors and eleven staff members. Our caring and fun employees have helped our office be selected by Grand Valley residents as the Gold "Best of the West" eye care practice each of the past three years. The ideal candidate should have great communication and clinical skills, a compassion for serving others and the ability to interact well with people of all ages and backgrounds to deliver an exceptional patient experience. Our senior partner, Parker Call, is retiring soon, but not until he can find a new doctor to assume the care of his patients.

Duties

- Perform comprehensive eye exams for all age groups
- Prescribe corrective contact lenses and glasses
- Fit and prescribe medically necessary contacts
- Diagnose and treat ocular disease, including dry eye disease management
- Provide pre and post operative care
- Promote healthy eyes and vision by counseling and educating patients
- Maintain detailed electronic health records regarding testing performed, diagnosis and treatment plans, and progress
- Manage eye care emergencies
- Bring new and innovative ideas and skills into the practice

Compensation and Benefits

- \$130,000-\$170,00 with production bonuses
- 88 hours of PTO annually
- Medical insurance
- Simple IRA retirement plan with employer matching
- 40 hour work week, M-F, 8-5:00 with 1 hour lunch
- Malpractice insurance
- Colorado FMLI+ sick leave in addition to PTO
- Partnership opportunity

Optometrist Qualifications

- Doctor of Optometry degree from an accredited institution
- Colorado State Optometry license in good standing
- Strong sense of professionalism and personal ethics

Why Grand Junction

- Great climate, over 300 days of sunshine annually
- World-renowned mountain biking trails
- Low crime area, good schools, growing population of approximately 140,000+ in the Grand Valley
- Home of the Grand Mesa, the world's largest flat top mountain, with over 200 freshwater lakes
- Minutes to the Grand Junction Regional Airport
- Great outdoor recreation opportunities are available. The Grand Valley sits at the boundary of desert and the Rocky Mountains. Outdoor activities include miles of mountain and road biking trails, golfing, Gold Medal Fishing (Gunnison, Yampa, Colorado rivers), rafting, camping, hiking, paddle boarding, skiing at Powderhorn on the Grand Mesa (40 minute drive), skiing at over six resorts within a 2 hour drive, and more.
- Excellent regional medical facilities center serving eastern Utah and western Colorado
- Home of Colorado Mesa University with over 10,000 students enrolled and growing
